FROM:

Office of Congressional Affairs

SUBJECT:

Federal Employees' Leave-Transfer Act of 1988,
H.R. 3757

1. On 3 February 1988, the House Compensation and Employee Benefits Subcommittee of the Post Office and Civil Service Committee marked up the above-captioned bill. The bill was reported out to the full committee and marked up by it on the same day.

2. The chairman of the subcommittee, Mr. Ackerman, introduced an amendment exempting the Agency from the requirements of the bill, but requiring it to set up its own internal leave transfer system. A copy of that amendment is attached, as is the bill. Three technical amendments were also added.

3. It is uncertain when the measure will reach the floor. We shall keep you apprised of further action on the bill.
